The following is an examiner's statement of reasons for allowance:

The arguments filed 6/21/06 regarding the combination of ATSC in view of Castelaz are persuasive. The combination does not teach first or second neural layers that perform the claimed functions in conjunction with the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
